ACTN COMMUNITY CLUB

A tennis community for playing & training every day

OUR STORY

ACTN Community Club was created to offer our players more than regular tennis lessons. Over the years, we have seen that many players want more opportunities to practice, compete, meet suitable playing partners and connect with people who share the same passion for tennis. However, it is not always easy to find the right players or a well-organized and comfortable environment to play in.

For this reason, ACTN Community Club provides a private, respectful and professionally managed tennis community where members can play regularly, develop their game and build meaningful connections. Through programs such as Open Play, Coach-Led Experience, Singles Ladder, Doubles Challenge and Team League, ACTN organizes players by level, manages the sessions and creates a positive experience both on and off the court.

Our goal is not only to help members play more tennis, but also to create a strong sense of belonging. We want every member to feel welcome, comfortable and respected as part of a community connected by shared values, a similar lifestyle and a genuine love for tennis.

WHAT YOU CAN PLAY HERE

Open Play

Casual organized play — show up at your booked time and get matched instantly, on weekdays and weekends (Weekend Open Play).

Coach-Led Experience

A coach-guided session covering serves, footwork, and basic tactics — great for players who want structured improvement.

Singles Ladder

A singles ranking ladder — beat someone near your rank to climb up. Send a challenge anytime in the app.

Doubles Challenge

Casual 2v2 matches open to anyone — points add up with every win, no need to hold a fixed spot.

Team League (Optional)

A seasonal league between ACTN's fixed teams, earning points match by match — registration & season fee handled separately.

Partner Match

Post your own listing to find a playing partner for a specific time/court — completely free.

+ There's also Mini Tournament & Season Finals — special events announced separately by the Admin in the app.

MEMBERSHIP PLAN

ACTN Community Membership

3,620,000đ / month

HOW IT WORKS — STEP BY STEP

Open Play

What it is: Casual, organized group play — you don't need to bring your own opponents. The app matches you with other members who booked the same time slot.
How it's played: Court time is split into short rotations (about 20 minutes each round). Players are grouped in 4s and rotate through rounds, so you play with different people during the session.
How to join & book — step by step:
1. Open the app and go to Weekly Schedule.
2. Find an Open Play slot on the schedule and tap it.
3. Tap Book — just make sure a slot is open.
4. Arrive on time and check the rotation list on your session to see your round times and group.

Coach-Led Experience

What it is: A structured, coach-guided session — serves, footwork, and tactics — for players who want real improvement, not just casual hitting.
How it's played: The assigned coach runs the whole session for the group. Some sessions include a short topic note (e.g. "Serve technique") shown right under the session on your Weekly Schedule.
How to join & book — step by step:
1. Go to Weekly Schedule and find a Coach-Led Experience slot.
2. Tap the session to see the coach and that day's topic.
3. Tap Book to reserve your spot — just make sure a slot is open.
4. Arrive 5 minutes early; the coach checks you in.

Singles Ladder

What it is: A 1-on-1 ranking ladder. Beat a player ranked above you and you swap positions — climb by winning.
How it's played: To keep matches competitive, you can only challenge a player within 3 ranks of your own position. The leaderboard updates on the app right after every match is recorded.
How to join & book — step by step:
1. Go to Points & Rankings → Singles Ladder.
2. Find a player within 3 ranks of you and tap Challenge.
3. They have 48 hours to Accept or Decline.
4. Once accepted, agree on a date, time and court, and confirm it in the app — this books the match.
5. Play the match — an Admin enters the score afterward and the ladder updates automatically.

STEP BY STEP (CONT.)

Doubles Challenge

What it is: Casual 2v2 matches open to any active member — no fixed ladder spot, and your partner can change every match.
How it's played: There's no rank restriction — challenge anyone. Your individual wins add up across every doubles match you play, building your doubles score over time.
How to join & book — step by step:
1. Go to Points & Rankings → Doubles Challenge.
2. Tap + New Doubles Challenge, then choose your partner and 2 opponents (4 players total).
3. The invited opponent has 48 hours to Accept or Decline.
4. Once accepted, one player books the date, time and court in the app.
5. Play the match — an Admin records the result afterward.

Team League (Optional)

What it is: A seasonal competition between ACTN's 4 fixed teams — ACTN Roland Garros, Australian Open, Wimbledon and US Open.
How it's played: Members are assigned to one team by the Admin. Each round is a scheduled team event — not something you book yourself — where individual matches are played and the team's total wins decide the round. The winning team each round receives a reward.
How to join & book — step by step:
1. Register for the season by paying the separate Team League fee (see Membership Plan on page 1).
2. The Admin assigns you to one of the 4 teams and notifies you in the app.
3. Team matches are scheduled by the Admin/Captain — they appear on your Weekly Schedule with a notification, no self-booking needed.
4. Show up for your scheduled match; an Admin enters the team score afterward and the standings update automatically.

BECOME A MEMBER — STEP BY STEP

Sign up in the app

1. Open the app at actn-community.netlify.app and tap Register as a member on the login screen.
2. Enter your name, phone and email and submit — your account is created with status Pending.
3. You can't book anything yet — an Admin needs to activate your account first.
4. The Admin activates it one of two ways: Quick approve (free trial-style access) or Record payment (for a package like ACTN Community Membership), which unlocks unlimited booking across every program included in your plan.
5. Once active, log in and start booking — Weekly Schedule for all sessions, Points & Rankings for ladder and doubles challenges.
6. Prefer to chat first? Scan the Zalo or WhatsApp QR code at the bottom of this page to reach our team directly.
